DISH is a trademark of DISH Network LLC. Programming services must be based on 100% of the subscriber units at the property and a minimum of ten (10) total rooms/units. “Total Rooms/Units means (i) for a Guest Property, hotel, motel, timeshare, inn, resort, dormitory, or other short-term stay location that is not used as a primary residence: the total number of guest rooms available for occupancy; (ii) for Guest Property that is a hospital, assisted-living/hospice or other health care facility, or prison: the total number of television outlets through which video programming may be delivered (by way of example and without limitation, each coaxial outlet) located in patient rooms; (iii) for bulk-billed MDU property located at a college, university, convent, apartment building, condominium complex, retirement community, or other similar type primary and/or long-term residence: the total number of housing units available for occupancy; (iv) for bulk billed MDU property or Guest Property that is a mobile home park, campground, RV park, marina, or other facility: the total number of spaces available for occupancy.

A bulk property does not have to display all programming services in package. Blackout restrictions may apply. Programming prices/rates and packages are subject to change without notice at anytime and from time to time in the sole and absolute discretion of DISH for any reason or no reason.

Blackout restrictions and other conditions apply to sports programming.

Limit one (1) Local Network package per eligible bulk property address. Programming services may vary by market. Local Networks are subject to change without notice. Under FCC regulations, Local Networks by satellite are only available to customers who reside in the specified local Designated market area (DMA). Local Networks are only offered in specified areas and may be provided through an outdoor antenna or local DISH antenna. Off-air broadcast picture quality may vary by location and property type.
